Dear Mick

Re: Testimonial for West End Training

Michael Prescott of West End Training has been delivering the Networking Skills seminar on behalf of Leeds Chamber of Commerce for over two years; this is one of the chamber's most popular courses and feedback from the delegates speaks for itself:

"...I would like to take this opportunity to thank you for such a good and insightful seminar yesterday. It really gave me a good insight to Networking."

"Great seminar yesterday! Many thanks for the time and effort you put in to it."

"Thanks for the informative and demystifying seminar this morning. It covered loads of ground and there was a really eclectic mix of participants"

"Thank you for a lively and informative workshop today, I always think it worth attending even if I only pick up one useful piece of information and today I have a whole list!"

Having attended the seminar myself I can say that I would recommend the services of Michael Prescott and West End Training to any organisation looking to train and develop their staff.

Yours sincerely
